- Libby Goode-Grasmick, Sunrise Community Health
- Lyle SmithGraybeal, United Way of Weld County

LCMC Liaisons:

- Ruth Fletcher-Carter
- Garrett Mumma

NFRMPO Staff: Mary Warring

WCMC ChairWalton

- 1. Introductions**
- 2. Review of Agenda** – There were no changes to the agenda.
- 3. Public Comment (Non- Agenda Items)** – There was no public comment.
- 4. Approval of Meeting Summary (March)** – Goode-Grasmick moved to approve the July meeting notes as written, SmithGraybeal seconded. Notes were approved as written.
- 5. Discussion Items**

Colorado State Innovation Model (SIM) - Warring shared a handout and gave an overview of the CO Sim Model and asked how the new model would be affecting member agencies – locally and statewide.

Goode-Grasmick – There are different models in CO which vary by location. Sunrise has integrated teams that are fulfilling the model. Larger systems have already integrated the models but smaller organizations will most likely be recipient of the state funds and will have to wait to implement. The new COREO/IT system to help with integration.

Walton – Stated that Envision is beginning to integrate but uncertain of the support that’s needed and what might be available. Concerned that implementation is unfunded. Feels certain that we are going to hear more about it but there remain many questions about costs and larger program effects.

Warring will draft a letter for council for review that seeks clarification from the state organization about program details.

- 6. WCMC Event – (Handout)** Possible events were discussed and the event with the greatest consensus on value to the MC is having a joint WCMC/LCMC meeting. Currently there is discussion about regional links that would ultimately link Greeley to Windsor and perhaps further west to

Timnath and Fort Collins. The discussion involves options for transit and paratransit. A spring to early summer timeframe seems right for a meeting to discuss regional recommendations. Another option for an event involves looking at other rural communities and what they have done to address transit gaps.

7. Greeley-Evans Transit (GET) News/Updates

Jones shared the following:

- Working to roll out day of paratransit service (same-day call for ride) - all trips. Trips would be on first come first basis.
- Moving forward with route changes – have to be out of current transfer center by Jan 1
- Ridership up specific to the youth category with a 313% increase. The new student free rides/ridership (partnership/big effort) has been a boost to ridership.
- Red route has been submitted for additional frequency – (Route 1) is being requested to increase to 30 mins with a January 2016 start date.
- Distributed flyer regarding new CNG low-floor buses for GET. Purchased as part of pool using \$30 million to purchase 135 buses – GET will receive 16 new buses within the next five years.

Other CO Transit/Bustang: TRACC committee is looking at ridership which is currently at 111 people a day on the north route (Denver to Fort Collins)

8. **Adjournment – 3:05 pm**

Next Regular Meeting: Tuesday – October 27, 2015

Transportation Access and Experiences Survey

The Transportation Access and Experiences Survey is designed to improve understanding of accessibility of public transportation for people with disabilities. Responses to the survey will be used to make improvements at regional and national levels.

If you are a person with a disability, you are invited to take the survey by visiting:

https://unco.co1.qualtrics.com/SE/?SID=SV_00wcGeTOzGL2IQ9.

The researchers are looking for as many responses as possible. Please feel free to forward this survey to people who have a disability.

This survey, conducted by the ADA Participation Action Research Consortium (ADA-PARC), is a collaborative research project of seven ADA Regional Centers. Learn more at www.adaparc.org.

If you have any questions or comments regarding this survey, please contact Jill Bezyak from the Rocky Mountain ADA Center @ jill.bezyak@unco.edu

Thank you in advance for your participation in this important research and for helping to spread the word.

Congratulations Greeley-Evans Transit (GET)

2015 Large Community Transit Agency of the Year

The Large Community Transit Agency of the Year award goes to an agency that serves a community of more than 15,000 people in recognition for best practices or a new project. This year **Greeley-Evans Transit** earned the award.

Greeley's Ride Free with ID program has been a game changer to the community in creating high energy and increased ridership. The program has been extremely successful on many levels, the GET ridership in the youth category has increased over 313% (15k rides in the 2013/14 school year and over 63k rides in the 2014/15 school year).
