4. **Chair Updates**.....Thomas
 Bridging the Gap Event – Senior oriented folks get together. Good turnout. Katy – program was interested re: music and memory. Music can help people w/ dementia – taps into long buried memories. Krissy – Animals also are very effective in reaching those that don’t want to talk with people.
 Other regional events/news – City of Loveland is doing review of their transit system. Funding is not sustainable – so there going to put in front of council in January. Not planning to participate in any regional studies as they will focus on their own system. An option might be to use same system as Ft C, another would be to shrink back to ADA – other options may come up. STC and Disability Advisory Commission might be good advocates.
5. **Discussion Items**
 - LCMC Member Survey Results.....Thomas reviewed the handout and gave an overview of the results.

Larimer County Mobility Council

Meeting Notes – October 15, 2015

1:30 – 3:00 p.m., NFRMPO Offices

419 Canyon Ave, Suite 300 - Fort Collins, CO

Toni – Retired as DARTAC Chair – was on board since 1967.

Katy – handed out new Answers on Aging Resource Guide + LC Office On Aging Annual Report

Gary – SAINT is busting out of the seams. Going to look at volunteer turnover - need intern to help with survey to understand problem. Dawn and Katy both know of interns that might be able to help. Reissued SAINT driver guide and added appeal process. SAINT has kept up to date and will need to implement discipline rule breakers. Worried that traffic is having an effect on volunteers desire to help. Did use Martin Carcassuns group - good resource. SAINT board is eight people.

8. Adjournment – Meeting adjourned at 2:30.

9. Next Meeting: December 17, 2015

Michelle Miller will present information on the LC Workforce Center.

Morie Pierce Smile
State Director
AARP Colorado State Office
303 E. 17th Ave., Suite 510
Denver, CO 80203

Dear Ms. Smile,

On behalf of Larimer County, I am pleased to submit this letter of support for our county to be considered by AARP as part of AARP's Network of Age-Friendly Communities. We are well aware of the changing demographics in our community, where the population of adults age 60 and over is expected to increase by 71% in the next ten years and make up 31% of the total population. Larimer County prides itself as a desirable place to live for people of all ages and recognizes the challenges we face to meet the needs of an increasing number of older adults.

In 2013, Larimer County was one of six communities in the country to be a recipient of the Livable Communities Collaborative grant from the National Association of Area Agencies on Aging (n4a). As a result, the Partnership for Age-Friendly Communities (PAFC) was formed. PAFC is a collaboration of community agencies and volunteers sponsored by the Foundation on Aging and the Larimer County Office on Aging, with support from nine other affiliate organizations. The PAFC is actively working in the areas of housing, transportation, the culture of aging, and health & wellness. In each of these areas, there are exciting projects currently underway. Furthermore, in May of this year, the PAFC held a "Summit on Aging" with 200 people in attendance in order to mobilize the community and raise awareness about issues related to an aging community.

Through these efforts we feel Larimer County has developed a strong framework to address the eight domains of livability as defined by AARP. Inclusion as part of the AARP network will strengthen this framework and provide PAFC with the support it needs to continue the work that has already been started.

The Board of County Commissioners is looking forward to joining Colorado Springs, the Denver metro area and the 70 other communities throughout the country that are a part of the AARP Network of Age-Friendly Communities. Moving forward with this designation will help provide our senior citizens the most rewarding, productive and satisfying lives possible.

Sincerely,

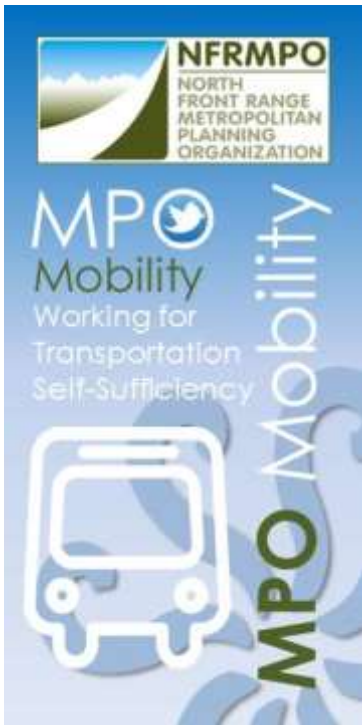

Lew Gaiter III
Chair, Larimer County Board of Commissioners
