Senior Transportation Coalition Updates

During the June 2nd Senior Transportation Coalition (STC) meeting, STC members decided to move from a monthly meeting to a bi-monthly schedule. The STC will continue to meet at the Pathways Hospice location in Fort Collins. An updated schedule is posted on the NFRMPO website.

The STC will act as the steering committee for the Larimer County Senior Rural Transportation study. Based on the Larimer County Strategic Plan goals, the study will identify needs and existing services available to seniors living in rural Larimer County.

For more information about the STC, please visit the Mobility Coordination website at: <http://bit.ly/1LmDmdW>

Travel Trainings

Multiple regional travel trainings have been held throughout 2016. Events in Berthoud, Fort Collins, and Loveland have brought dozens of residents together to learn about how to ride transit in the region. Travel trainings include information about different fare and pass options, how to read the bus schedule, plan a transit trip, sign up for bus route alerts, track a bus for its predicted arrival time, and sign up for transit news.

TRANSFORT

Transfort offers Travel Training on the third Thursday of each month. COLT offers Travel Training on the first Friday of each month. GET offers Travel Training on an as-needed basis. Information regarding how to sign up and participate in each program is available through each transit agency's website.

Coordination Plan Update

Beginning in October 2016, the Larimer and Weld County Mobility Committees will start work on the 2017 Coordinated Public Transit/Human Services Transportation Plan (Coordinated Plan). The previous plan identifies regional and local needs, strategies, and goals to be addressed in the Mobility Committees' individual work plans.

The updated plan will review the 2013 NFRMPO Coordinated Plan, and identify regional and county-level needs, new goals and strategies, and possible projects for the two Mobility Committees. The planning process will begin with a joint meeting to identify regional goals, before each Mobility Committee identifies goals appropriate for each county. The NFRMPO Planning Council will adopt the Coordinated Plan in December 2017.
