1. Review of Agenda

2. Public Comment (Non- Agenda Items)

3. Approval of Meeting Notes (April) Katy, Gary second.

4. Chair Updates (Thomas)

- Loveland has scheduled three travel trainings so far in spring.
- United Way will no longer fund transportation services.
- VW Settlement – As part of the ruling, Volkswagen will provide a funding pool for each state. Colorado estimates it will receive \$61 Million. There are recommendations to provide half the funding to transit.

5. Discussion Items

- 2017 Coordinated Plan – Alex passed out demographic maps, which show the percentage of older adults and people with disabilities living in each community in the NFRMPO region.
 - LCMC members would prefer a more in-depth look at demographics, including information at the tract level.
 - LCMC members suggest the Coordinated Plan should look into issues serving surrounding towns with transit or alternative transportation. How can we serve people outside of the Transfort service area but who are not too far outside of the community?
 - There should be additional driver trainings, including sensitivity and interpersonal skills training, on a regional level.
 - How can the LCMC help ease new services to provide additional options? Startups face issues with the PUC licensing, competition, and other issues.
 - The Coordinated Plan should incorporate information from the Larimer County Senior Transportation Needs Report.
- Strategic Action Plan on Aging– Gary provided background information on the Governor’s Strategic Action Plan on Aging. Transportation is specifically called

out as a goal within the Strategic Action Plan. The SAP was distributed via email to LCMC and STC members.

6. MC Program Updates

- Outreach schedule – Alex is beginning to put together a draft schedule for public outreach as part of the 2017 Coordinated Plan process.
- Meeting Plan and Work Schedule – LCMC members approved the calendar and 2017 meeting dates. The LCMC will meet at the NFRMPO offices for 2017 meetings. Vallen Sarnoff will be added to the LCMC list as the representative for the CO Department of Vocational Rehab.

7. Council Member Reports

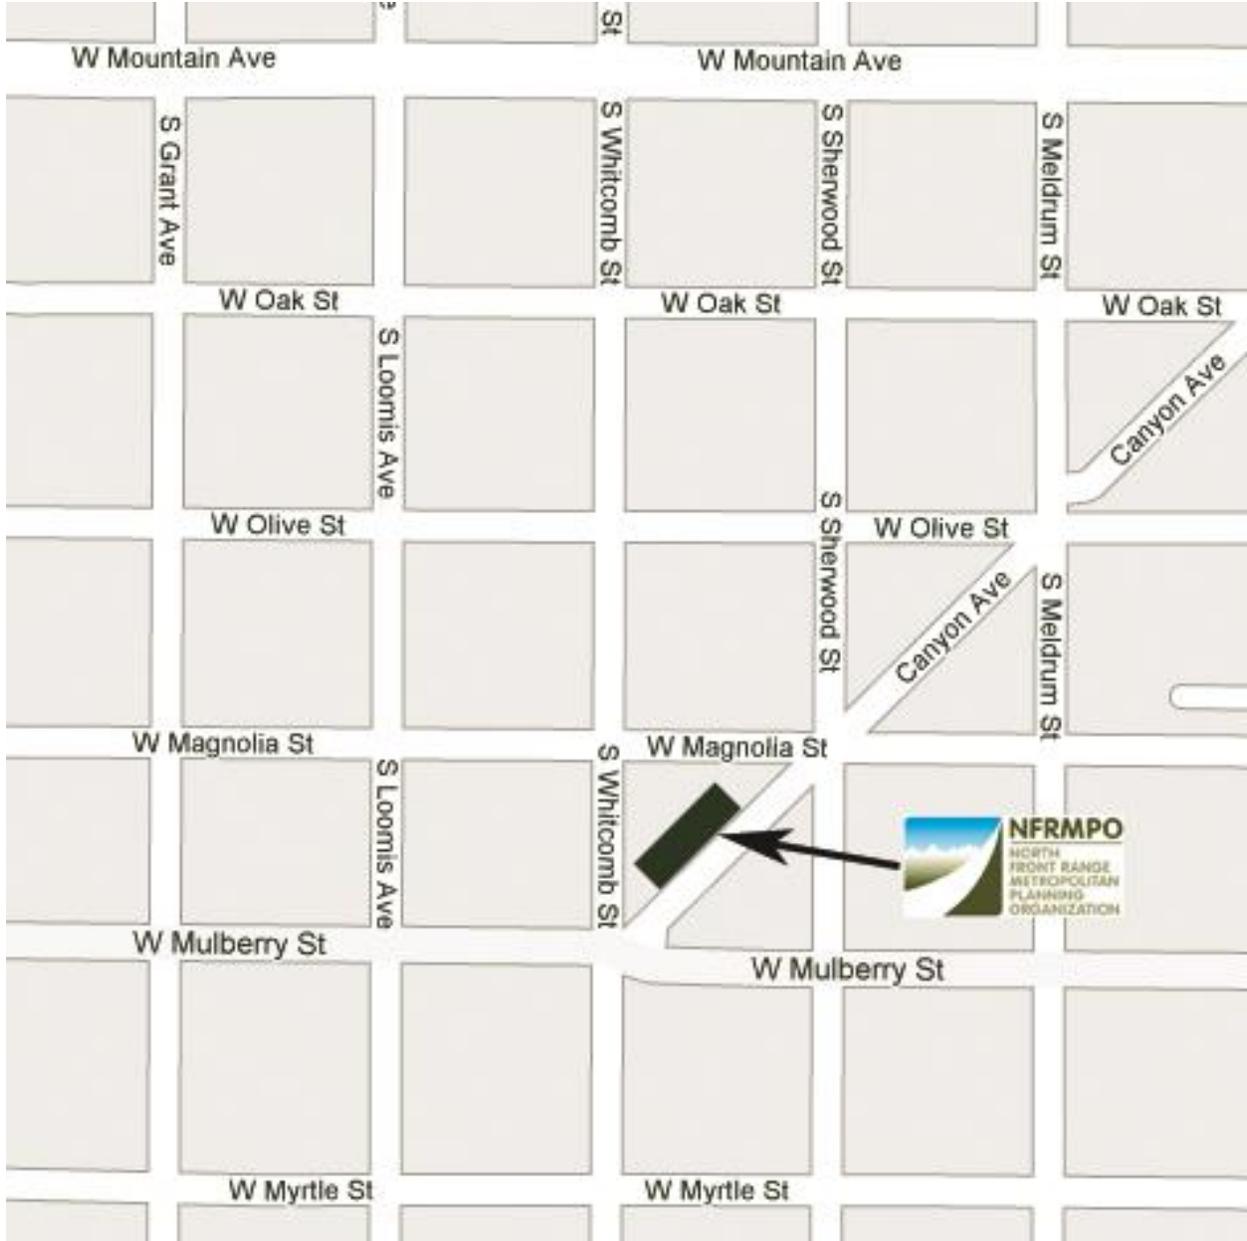

- Toni – There have been issues travelling with Dial-a-Taxi due to the large window to wait. It has made it difficult to attend certain meetings.
- Katy – Rural Transportation Study – there will be four focus groups and 1,500 houses surveyed. The focus groups will be in Read Feather Lakes, Laporte, Berthoud, and Estes Park. The recommendation will be available in spring. Katy attended the Transit 101 class at CDOT. It was useful and provided context and history for service availability in Larimer County.

8. Adjournment – Meeting adjourned at 2:53 PM.
