4. Chair Updates (Thomas)

- Gary provided an update from DARTAC: In 2016, Transfort had more than 4 Million riders, including 1.4 Million on MAX. Dial-a-Ride saw a small decrease in rides given. LCMC asked if Dial-a-Taxi is taking pressure off of Dial-a-Ride.

5. Action Items

- Elections – Angela Woodall was nominated to be Chair and Ruth Fletcher-Carter was nominated to be Co-Chair. Toni made a motion to approve, and Katy seconded the motion. The motion was passed unanimously.

6. Discussion Items

- 2017 Coordinated Plan – Alex passed out updated draft demographic maps, a summary of previous identified issues and goals, and an outreach schedule. Identified issues to be further discussed included the lack of funding, the lack of transportation between urban areas, additional research into advocacy versus lobbying, and to ensure the goals are measurable and obtainable. NFRMPO staff will study PUC requirements as well. LCMC members suggested groups to reach out to for outreach, including the Larimer County Office on Aging, the local Transportation Boards, Senior Transportation Coalition, and the Berthoud Town Trustees. NFRMPO staff should add activity centers at subsidized housing, housing authorities, Habitat for Humanity housing, veterans/VFWs, doctors' offices, senior centers, medical centers, ARC, Goodwill, wellness centers, and community centers. Alex will bring this information back at the April meeting for further discussion. He will begin the draft chapter and bring it to April as well.
