Elections - Janet Bedingfield was nominated to be Chair of the Weld County Mobility Committee and Dori Baker was nominated to be Vice-Chair. The motioned passed unanimously.
6. **Discussion Items**
2017 Coordinated Plan - Alex provided updated demographic maps, broken down at the Census Tract level. Will noted there is not a large correlation between older adults with disabilities and the overall population with disabilities. He also commented the large gap in transit service is noticeable in the rural areas. Janet stated the Colorado Visiting Nurses Association is piloting a partnership with Uber. Alex stated he will reach out and do research into the project. WCMC members discussed the issues of organizations and agencies which can only provide rides to their clients - this is an issue which should be studied further. Will mentioned there are Title VI issues with federal funding and Uber - how will this help guide the goals and strategies of the Coordinated Plan? Could a Dial-a-Taxi system work in Weld County?

Greeley-Evans Transit Update - The GET Transit Center broke ground on February 13 with a planned opening in September. The Regional Route survey was distributed and is open through April 1. The deadline is being extended due to the high number of responses. More than 1,100 completed surveys have been returned so far. The Regional Route will study the need for a transit route between Greeley, Windsor, and Fort Collins. The next step after the survey is to create a business plan looking at how the route would run, including frequency and potential routing. Preliminary discussions would have limited runs in the morning, midday, and afternoon with two stops each in Fort Collins, Windsor, and Greeley. GET has ordered four new buses arriving in May. Audible stop announcements will be turned on in the buses.

7. Council Member Reports

Brad - There are a lot of discussions about transit, housing, and climate action. Comments are mixed for transit, but it is good for what it is. There are growing concerns about the medical centers and doctors' offices moving to western Greeley, where there is limited transit. There should be discussions about where funding will come from to serve these new developments.

Dori - Frontier House goes to the Rodarte Center to pick up transit passes. She will be attending training, getting people to go to the Clubhouse. This program is meant to enhance the quality of life.

Janet - Senior Resource Services has a waiting list, which was around 55 people. There is a one month turnaround. A Ride Scheduler and VISTA Volunteer will begin with the organization soon. SRS will be attending the Ride and Revel! Bike event in Greeley in July.

8. Adjournment - 3:00 p.m.

Next Regular Meeting: Tuesday - July 25, 2017 at 1:30 p.m.
