1. Introductions

2. **Review of Agenda** - There were no changes to the agenda.

3. **Public Comment (Non-Agenda Items)** - Steve Teets commented on the GET Regional Route Study. He commented the route should travel on US 34, SH392, and on US287 and tie into FLEX. Alex stated he will pass those comments along to Greeley-Evans Transit.

4. **Approval of Meeting Notes (October)** - No edits to October meeting notes. Celeste motioned to approve the meeting notes and Julie seconded the motion.

5. Discussion Items

Tour - Sarita Reddy from GCI gave a quick overview. Hope Fellows founded the Greeley Center for Independence in the 1970s. People with disabilities no longer were living in nursing homes so 65 customizable apartments were built for people with disabilities. GCI currently has three apartment buildings. GCI helps with home health, affordable housing, assisted living, and provides day programs and a clinic. Celeste asked if the apartments are open to the public, and Julie responded they are. There are current vacancies at Camelot, they allow therapy animals, and accept HUD vouchers. They are all no-smoking facilities. Sarita stated 68 percent of funding comes from Medicaid. Steve asked how much freedom residents have. Sarita stated residents have freedom, but there is liability about knowing where renters are. People can come and go. Clients are allowed to volunteer but cannot have paying jobs. Alex asked about transportation. Sarita responded home health aides cannot provide transportation, but they work with clients to prepare them to ride Greeley-Evans Transit. Staff is trained to provide information about the GET service. Clients are sent to GCI through a referral system.

2018 Schedule - Alex will work on putting together travel training for early summer and will bring information about the 2045 Regional Transit Element.

6. Committee Member Reports

Julie stated there are vacancies at Camelot.

Celeste stated they have hired a bilingual case manager and direct care aide.

Joe stated sharing through 211 is continuing. United Way has vouchers for permits, birth certificates, etc. to help people get more services.

Steve discussed homeless programs.

7. Adjournment - 3:02 p.m.
