Discussion Items

LARIMER COUNTY SENIOR TRANSPORTATION NEEDS REPORT UPDATE	The Larimer County Senior Transportation Work Group applied for an NADTC grant which would be completed by the end of the year if received. The grant would include pilot projects to implement a call center – testing, reviewing, best practices. Katy provided further detail on the call center. Jason asked about the technology piece because everyone schedules differently. Katy and Alex explained that is what the pilots are for, to figure out what works the best. Additionally, the goal is that the program would evolve to serve the current needs. The group also applied for an FTA §5304 grant and is contemplating applying for the Next 50 Initiative program. Katy also stated Suzette now works for the NFRMPO and is no longer working on the project.
TDP	Alex provided background information on CDOT's Transit Development Program (TDP). The group suggested adding Greeley to Loveland and Greeley to Loveland to Fort Collins. The group also stated they would like to invite Candice Folkers, COLT Transit Manager, to an STC meeting in the future.
BUSTANG TRAVEL TRAINING	PAFC applied for an AARP grant for Bustang travel training. STC will continue to plan for the event. The group decided to form a subcommittee to further study the idea and help guide the process – it will consist of Alex, Anna, Ruth, and Katy.
OUTREACH TEAM	Anna stated she went to the Wellness Expo and talked to over 60 people. Other major events include New West Fest, Sunfest, Touch a Truck, Open Streets. Daniel stated there will be the Hickory Street festival on June 16.
TRAVEL TRAINING UPDATE	Anna reported she is no longer doing travel trainings from the Chilson Center but this could change with the new COLT Transit Manager. The Fort Collins Senior Center is also struggling with attendance. Ruth

	asked if people without disabilities can take the training because she has interest for the FLEX through Berthoud. Anna said a disability is not required.
