FCBIKES	<p>Jamie Gaskill presented about the Bicycle Ambassadors Program (BAP). BAP was formed in 2012 as a regional collaboration but was merged into FCBikes, which is a division of FCMoves, the transportation department of the City of Fort Collins. There are approximately 117 Bicycle Ambassadors who assist the program carry out the 5 “E”s: education, encouragement, enforcement, engineering, and evaluation. Jamie has been working with the Fort Collins Police Department to train patrol officers on laws related to cycling. The Bicycle Friendly Driver program has caught on nationwide, leading to Jamie getting recognized at the National Bike Summit. Forty-seven states and 5 countries have implemented a form of the program based on a toolkit designed by Jamie. Anna noted all Transfort drivers are trained as part of this program.
