### Discussion Items

LARIMER COUNTY SENIOR TRANSPORTATION WORK GROUP UPDATE	<p>The \$5304 grant consultants will be proposing phases to the project to help with applying for funds and implementing the program. Additionally, one of the big questions is about outreach to bring in riders and other users of the potential system. This is something that will be addressed as the projects continue.</p> <p>SAINT signed a contract to be part of the NADTC grant. Riders have taken part in the project but numbers weren't available yet.</p>
2019 WORK PLAN FOLLOW-UP	<p>Alex stated GET is planning to start operating the Poudre Express in January 2020. Once this route starts operating, there are plans to begin doing a Travel Training with GET and Bustang to Denver.</p> <p>A small travel training is scheduled for June 18. Alex is working with Brooke and the Family Center (La Familia) to do a Spanish Bustang Travel Training.</p> <p>Anna discussed the regional travel trainings. Seven people signed up and went from the Chilson Center to Fort Collins using COLT, FLEX, and MAX. There is one travel training scheduled in July, then once a month through October. The MAX travel training is still the second Tuesday of each month.</p>
CARFIT EVENT	<p>Jill discussed what is needed to do a CarFit event. Jill Taylor from UCHHealth/Aspen Club is coordinating the efforts. The scheduled dates are September 9, October 14, and October 19. The group decided to reach out to Jill to ask about the October 14 date. Jill will take the lead to get the process started and will provide more information once she talks to Jill Taylor.</p>
