Alternate- Heather Paddock, Acting Region 4 Director

**EXECUTIVE SUMMARY of the
TECHNICAL ADVISORY COMMITTEE (TAC)
North Front Range Transportation and Air Quality Planning Council
October 16, 2019**

APPROVAL OF THE AUGUST 21, 2019 TAC MINUTES

Schneiders moved to approve the August 21, 2019 TAC minutes. Buckman seconded the motion, which was approved unanimously.

DISCUSSION ITEM

Multimodal Options Fund (MMOF) – Bornhoft and Karasko presented the proposed process for awarding the \$5.58M in state funding available within the North Front Range region for multimodal projects. The Call for Projects is scheduled to be open from December 6, 2019 through January 31, 2020 and will award funding for FY2020 through FY2022. TAC discussed the pool structure, minimum project size, scoring criteria, match relief, application process, and integration with the 2019 CDOT Transportation Alternatives Program (TAP) Call.

WORK SESSION

10-Year Strategic List of Projects – Karasko stated the purpose of the work session was to identify projects for CDOT’s 10-year pipeline of projects and regional priorities for consistent messaging. At the Planning Council work session on October 3, 2019 the Council directed staff and TAC to focus on the top priority corridors including I-25, US highways, and any other corridors of statewide significance. TAC recommended including SH392 and SH14 as corridors of statewide significance due to their importance to freight movement and agreed to the following priority order: I-25, US34, US85, and US287, followed by SH392 and SH14 tied for fifth. TAC recommended forming a subcommittee to identify project priorities within each of the prioritized corridors following Planning Council’s concurrence with the ranking at their November meeting.

OUTSIDE PARTNER REPORTS

NoCo Bike & Ped Collaborative – Dusil reported NoCo held a walk audit in Berthoud and developed recommendations for improvements. Any communities interested in a walk audit should contact Dusil.

Regional Transit Agencies – Schneiders reported results are being compiled for the test run of Elkstang, which provided bus service between Denver and Estes Park.

Senior Transportation Items – Gordon reported the recommendation draft for the Larimer County Senior Transportation Implementation Plan will be discussed at the LCMC meeting on October 23. On October 22 the WCMC will discuss how the One Call/One Click Center could be expanded into Weld County.
