RIDER'S GUIDE

to transportation options in Northern Colorado

noco.findmyride.info
nfrmpo.org

INTRODUCTION

The North Front Range Metropolitan Planning Organization's (NFRMPO) Rider's Guide is meant to serve as a resource to help residents and visitors connect to where they need to go in Larimer and Weld counties. Rider's Guides are updated periodically, based on feedback and updates in transportation providers. The most up-to-date Rider's Guides are available at nfrmpo.org/mobility.

The Rider's Guide is available in print and online. An interactive version of the Rider's Guide is called Find My Ride and is available at noco.findmyride.info.

MOBILITY SUPPORT

The following services are available to assist with more personal discussion of transportation options:

- **NFRMPO** >> Call the Mobility Coordinator at (970) 289-8279 or email agordon@nfrmpo.org. Use the interactive Find My Ride tool at noco.findmyride.info.
- **Larimer County Office on Aging** >> Call the Office on Aging at (970) 498-7750 or visit larimer.org/seniors and larimer.co.networkofcare.org/aging.
- **Weld County Area Agency on Aging** >> Call the AAA at (970) 400-6952 or visit weldgov.com/departments/human_services/area_agency_on_aging.

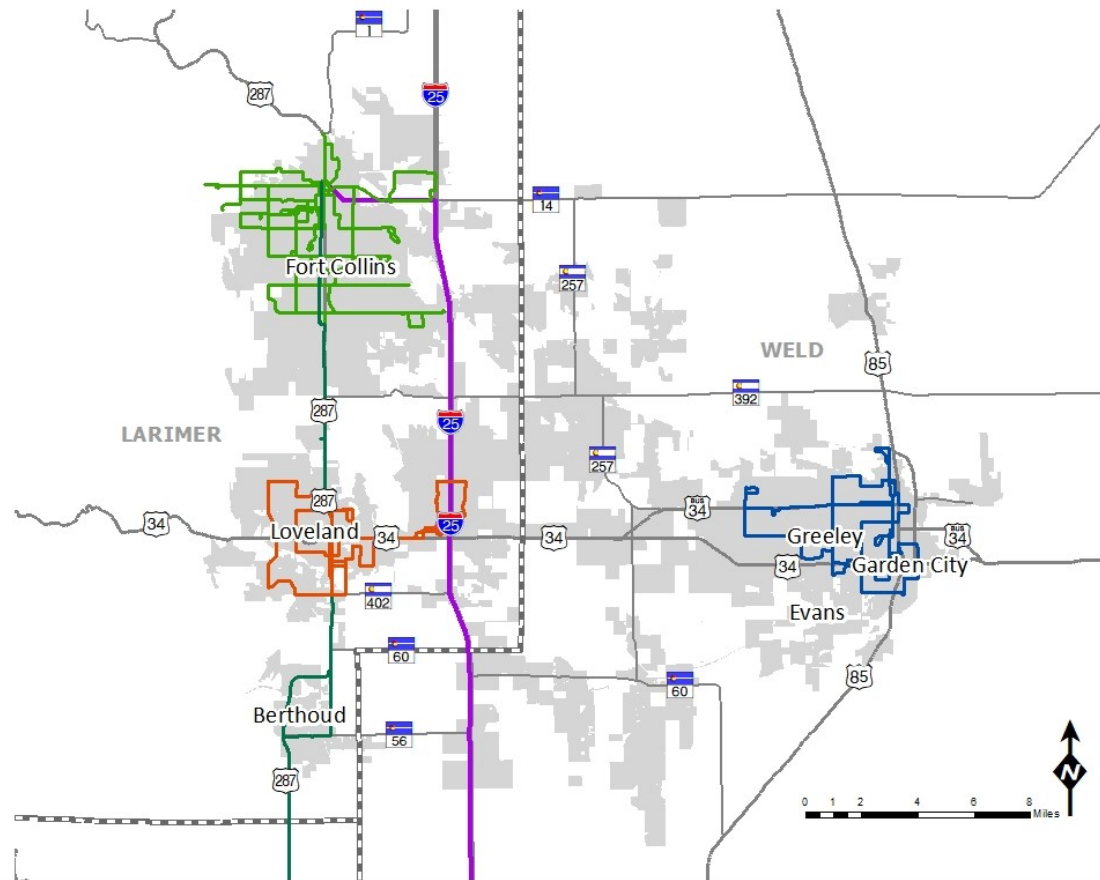

COLT, GET, and Transfort offer travel training to all individuals. Contact each agency for more information

All local transit agencies have uploaded schedule and fare information to Google Maps and Bing Maps allowing trip planning. Transfort information is available using the Transit App, downloadable from Google Play and the Apple Store.

FIXED-ROUTE SERVICE

Buses which run along an established path at preset times, picking up passengers at designated bus stops. Typically, fixed-route service is characterized by printed schedules or timetables, with designated bus stops where passengers board and alight.

Fixed-route service is used in communities with higher populations because there is higher density, as well as frequently used origins and destinations concentrated along main arteries.

DEMAND-RESPONSE SERVICE

Demand-response services have vehicles operating in response to calls from passengers. Demand-response providers are listed on the map by general service locations. Service areas may depend on availability. Contact providers directly for up-to-date service boundaries and details of service. Service by demand-response service tends to be for older adults (60+) or adults (18+ with disabilities).

Please note demand-response services require advanced booking, and the time needed varies by agency. Oftentimes, 24- to 72-hour advanced notice is required. Contact each agency for their requirements.
